Mr. Bauman L. Belden -
Secretary of the American Minniomitic Society.
Audubon Park.

My dear Mr. Belden - A medal has
been struck to commemorate the dedication
of the Municipal Buildings of Springfield,
Mass. on December 8th or 9th of which I
modelled the obverse - the reverse being
done by Felix Weir. - Would a copy
of this in bronze be of interest to
the Minniomitic Society? If so - I
shall be very happy to present one -
Very truly,
Gail Sherman Corbett.

December 20th, 1913.

Mrs. Gail Sherman Corbett,

New York.

My dear Mrs. Corbett:-

Your kind letter of December 18th has just been received, and I would say in reply that this Society would be exceedingly glad to have a bronze copy of the medal Commemorating the Dedication of the Municipal Buildings of Springfield. We would be especially glad to have this as we have, I believe, no examples of your work in our collection.

Thanking you very much for your kind offer to us of this medal, I am,

Very truly yours,

Director.

My dear Mr Belden - I am mailing the
bronze medal of which I wrote you -
I am sorry for this delay - It may
be of interest that the obverse was taken
from the center of a large Plaque which I
modelled for the terrace in front of the Towers
of the Springfield Buildings - In this, outside
the figure of Apollo - whose arrow points to
the North - is a wreath of flowers & fruits -
then the signs of the Zodiac in the form of a
border, & some conventional mouldings.
The reverse, as I wrote you, was

Modelled by Felix Weil - the time to
prepare a medal being too limited for me
to do it all -

Thanking you for your interest in
this, I am, Very sincerely,

Gail Sherman Corbett.

Dear Madam:-

As you will see by the enclosed card The American Numismatic Society is to have the Honors of the National Sculptors Society as guests at the meeting of February 7th. Because of your membership in both Societies, may we not count on your presence, not only in order that you may welcome the guests of our Society but that you may make them better acquainted with such of our members as they may not have met.

Yours very cordially,

My dear Mr. Wood,
Your letter of Aug 15
directed to Mrs. Wiley
has been forwarded to
me here. It is
quite possible that in
this wrong direction
lies the explanation of
your error regarding

the payment of my dues
for 1919 which my
checkbook and vouchers
show were paid on
May 27th. It is quite
true however that I have
received the bill for
them - only the receipt.

Trusting this may
enable you to rectify
the mistake.

Very sincerely

Mrs. Gale Sherman Corbett,
Brightwater, L. I.

Dear Mrs. Corbett:-

We wish to apologize for sending you a duplicate bill for dues as our records show you paid these dues by cheque on May 27th. The error was due to the bank who had confused the two names and a new stenographer did the rest.

Regretting this mistake, we beg to remain

Very truly yours,

Curator.

My dear Mr. Noe -

The invitation to
the Sixty-Sixth Annual
meeting of the Minnesota
Society which, I regret
to say, a previous
engagement prevents me
from accepting - reminds
me that I had intended
to send a "Christmas gift"
to the Society as suggested
by Mr. Reilly - Please
accept this copy of "John"
with best wishes for a
successful New Year -

Very sincerely,
Gail Sherman Corbett.

Dear Mrs. Corbett:

It was mighty pleasant to open up your package this morning and find the charming plaque which you sent us as one of our Christmas gifts. Thank you very much indeed. It will make a very pleasing addition to the medals by you already on our easels.

I hope that you, too, will have a happy and untroubled New Year.

Very truly yours,
